

## Weekend Reminders - What to Bring / What NOT to Bring

### Speakers

- Need handouts ready to go Friday night (50 should be good)
- If haven't already, get information about song/artist to minstrel
- Provide last page of reflection to minstrel so knows when to que up music
- If plan to use TV screens, bring USB to plug into laptop (which we'll provide); we can test Friday night
- Nice clothes for speaking
- Anything you need, let the assistants know (props, etc.)
- **Remember to reverence the Bible before you speak**
- Family members are invited to pray up/down speakers in chapel – they are not allowed to listen to the talk

### Wheat letters

- Have these ready to go Friday night - can add names Friday night or during the weekend
- Don't plan to write these over the weekend – focus is on our candidates

### Prayer Partners

- If PP is speaker, you will be discreetly removed from lunch/conference room to go to the chapel to pray up your PP before his meditation
- WHEAT PP – have a **letter ready for them Friday night** – make sure to acknowledge all they have done for you/us these past 4 weeks!

**Hoot /Mass Dress** - Nice/moderate clothes; we'll be sitting on the floor

### Your Role for the Weekend

- Focus is on the candidates. This is your Paschal Mystery. This is THEIR weekend.
- Christ is counting on you to bring His message to the candidates.
- Include the candidates in everything we do. Encourage participation.
- For the hoot song, candidates should be in the front – not us unless we have a couple of dance-move leaders.
- Confidentiality!!
